

Excursion & Dinner

Nicosia Town

Nicosia is the capital of Cyprus and a must for every visitor on the island. Our tour will first lead us to the **Cyprus Archaeological Museum** where a huge collection of important archaeological findings are housed and through which the long cultural and historical heritage of the island is revealed.

Driving along the UN Buffer Zone and the old city of Nicosia, we will encounter a most unfortunate distinction; the fact that this is Europe's only militarily divided city since 1974.

Situated within the **Venetian walls**, in the heart of old Nicosia is the **Archbishopric**. The **Byzantine Museum**, which is one of the finest of its kind in the world, and **St. John's Cathedral** located within its grounds, will be our next stop. We will then visit the **Liberty Monument** nearby.

'**Laiki Yifonia**' is a beautifully restored 18th century neighborhood within the Walls which has kept the traditional style of the old market, restaurants and narrow paved streets with local merchants and craftsmen displaying their hand-made products.

We will then walk to the **Leventon Municipal Museum** which is located nearby. It is the only historical museum of Nicosia reviving the old ways of Cypriot life from ancient to present times.

We will finish our tour with a dinner at a traditional tavern. We will be served a variety of 'meze' dishes (assortment of dishes) comprising mainly of meat as well as other delicious side dishes and unlimited local drinks and desserts.

Participation fee is inclusive of:

Transfers in luxurious fully air-conditioned coaches, officially C.T.O licensed tour guide, entrance fees to all sites, program as described above, dinner with unlimited local drinks, V.A.T. currently 19% and taxes and organization and assistance by EasyConferences.
