TO WHOM IT MAY CONCERN

As the local organizer of the EINN2011: 9th European Research Conference on "Electromagnetic Interactions with Nucleons and Nuclei" held from October 31 to November 4, 2011, at Almyra Hotel in Paphos, Cyprus, I would like to express my sincere appreciation and thanks to EasyConferences and their Managing Director Mr. Petros Stratis for organizing the conference and the high quality services that they have provided.

EINN2011 involved about 100 registered participants from several countries and has been successfully completed, since Mr. Stratis and his team assisted us in non-academic part of the conference, including registration, accommodation, transportation, conference dinner and excursion.

Mr. Petros Stratis and his company have work at high levels of professionalism; they were always very supportive, communicative and cooperative. I would like, therefore, to strongly recommend EasyConference to anyone interested in organizing any international conference with success.

Yours Faithfully,

Professor Constantia Alexandrou
Department of Physics
University of Cyprus
