TO WHOM IT MAY CONCERN

We would like to thank 'Dreamscape Conferences' for organizing our CaseWare 2010 Distributors Meeting in Limassol, Cyprus in March 2010 and express our appreciation for the perfect organization of the event and at the same time the perfect selection and coordination of all the social activities.

We also feel that it is worth noting that after the suggestion of 'Dreamscape Conferences' we used an online registration software the company is affiliated with, www.easyconferences.org, which proved to be a great tool for our event registration and coordination.

Each participant had the opportunity to organize on-line through this system his whole stay, select all services required and pay in only a few minutes. Furthermore, what was more impressive was the fact that participants could go back as many times as they liked and make changes without any problems.

Dreamscape Conferences provided an excellent service and their work is truly appreciated. We would not hesitate to recommend their services to anybody who is planning to hold a conference or a meeting.

Yours Sincerely
