### TO WHOM IT MAY CONCERN

As the local organizer of the 1<sup>st</sup> Training School of the COST Action IC1206: "De-identification for privacy protection in multimedia content", I would like to express my sincere appreciation and thanks to all staff of EasyConferences and their Managing Director Mr. Petros Stratis for the excellent organization, impeccable services and support provided from the early beginning until the end of the school.

The training school was held on 7-11 of October 2015 at Curium Hotel in Limassol, Cyprus, with the participation of 40 academic researchers from several countries. All the aspects of the organization, as well as the logistics ran smoothly due to the high quality of services provided by EasyConferences. Mr. Petros Stratis and his company showed high levels of professionalism, mixed with a total willingness to help in every way.

Since I could not have asked for better support and communication, I strongly recommend this company and I am looking forward to the next collaboration.

Yours faithfully,

Dr. Zenonas Theodosiou  
Local Organizer of the IC1206 Training School
