

UMAP 2019

The 27th ACM Conference on User Modelling, Adaptation and Personalization

9-12 June, 2019 - Larnaca, Cyprus

Call for Contributions

ACM UMAP 2019 will take place in Larnaca, from June 9 - 12, 2019.

It now invites contributions of regular research papers, workshop proposals, tutorial proposals and demos, posters and late-breaking results.

ABOUT

UMAP - User Modelling, Adaptation and Personalization - is the premier international conference for researchers and practitioners working on systems that adapt to individual users, to groups of users, and that collect, represent, and model user information. UMAP is the successor to the biennial User Modeling (UM) and Adaptive Hypermedia and Adaptive Web-based Systems (AH) conferences that were merged in 2009. It is sponsored by ACM SIGCHI and SIGWEB, and organized with User Modeling Inc. as the Steering Committee. The proceedings are published by ACM and will be part of the ACM Digital Library.

CYPRUS

Cyprus is an EU member and a major financial, business, tourist, and educational hub in the Mediterranean. For millennia, Cyprus has been at the cross-roads of major civilizations.

Cyprus combines modern European culture with ancient enchantment and world-class tourist and archaeological attractions. Cyprus epitomizes the ideal weather of the Mediterranean, with sunny days and fine temperatures almost every day throughout the year.

HOSTING ORGANISATION

The University of Cyprus

Established in 1989, UCY admitted its first students in 1992. It was founded in response to the growing intellectual needs of the Cypriot people, and is well placed to fulfil the numerous aspirations of the country.
